

SRI SEDAYA NEWS

January/February 2003

Dear Parents/Guardians and Friends,

Warm greetings from the staff of Sekolah Sri Sedaya. Special thanks to parents and well-wishers for the greeting cards, mandarin oranges and cookies for the Chinese New Year.

Your goodwill and generous tokens of appreciation overwhelmed us. Once again, thank you.

The academic year 2003 has started off well for Sekolah Sri Sedaya. Our student enrolment has increased tremendously. For this, we have to thank the parents for their kind support and good faith in the school.

The staff of Sekolah Sri Sedaya are constantly working hard for the welfare of our students. In our effort to have a close working relationship with our parents, let us update you on some of the developments in the school.

SCHOLARSHIP AWARDS

The principal of the secondary division, Mr Peter Tan presenting the scholarship award to Eileen Low of Form 4 Alpha.

Giam Osheenn received the scholarship with delight.

The scholarship award was presented to Chua Shayrol for her outstanding results in her UPSR exam..

We are pleased to inform you that we have awarded three merit scholarships to Chua Shayrol of Form 1 Alpha, Low Eileen and Giam Osheenn of Form 4 Alpha. These awards were made, based on the outstanding performances of these students in the government examinations.

The principal of the secondary division, Mr Peter Tan, presented the scholarship awards to the three students during the school assembly on 17 February 2003.

Chua Shayrol passed the UPSR examination with 7 distinctions. She also represented her school in various English Language activities at district level. Low Eileen and Giam Osheenn of Form 4 scored 8 distinctions in the PMR examination. All the three students are currently appointed as trainee prefects.

We hope that these awards will act as our incentive to our students to study hard and excel in the government examinations of 2003.

HOW TO ENHANCE CHILDREN'S EQ

For your information, the school in collaboration with the Centre for Child Psychology, the Malaysian Psychology Centre would be organising a seminar on *How To Enhance Children's EQ*.

Details of the seminar are as the following:

Date: 22 February (Saturday)
Time: 2.30pm -4.30pm
Venue: School AV Room

All parents are invited to the seminar and encouraged to bring along your children to participate in the Children's Emotional Health Assessment and EQ Enhancement Activities and Exercises.

Dr Edward Chan will be the speaker for the seminar. A principal consultant psychologist, he is also a contributor to local dailies and journals as well as a well-known radio and television personality on educational, child and developmental psychology as well as relationship issues.

Please do come and experience an enriching seminar on how to enhance your children's EQ.
